FAQs

Do I need to know Salsa to attend the trip?

No, you do not need to know salsa to attend the trip with us. The private classes will be divided into dance levels, from beginner to more advanced.

If you want to know some Salsa basics before the trip to enjoy the social dancing culture, you can find a salsa Caleña school in your local area. For those who live in the Greater Toronto Area, Salsa & Sabor offers classes in Toronto, visit <https://www.salsandsabor.com/> For more information.

Do I have time to explore on my own?

While we offer a very full schedule, we do have times available that are free. You can use it to relax, explore locally, shop, social dancing or swimming in the hotel pool.

Do I need to book my flights?

Yes you need to book your own flights to get to Cali. We suggest doing this as soon as possible, as late December is a very popular time to fly to Cali.

I want to upgrade my room (or I want to stay in a room alone). Are upgraded rooms available?

Upgraded rooms are available upon availability. If you wish to have a room upgrade or a single-occupancy room, we suggest contacting us as soon as possible to book the room so we can hold it with the hotel. The downpayment for an upgraded or single occupancy room may be larger than the \$400 hold normally requested.

Do you have a more detailed itinerary?

Although we have done our best to get everything booked in advanced, Le Feria De Cali events and tickets do not get released until 1 - 2 months before. The events for Feria will be booked and scheduled as soon as tickets are released. A more detailed Itinerary will be sent out a few weeks before the trip.
